Application No. 10/665,255

Preliminary Amendment dated February 23, 2004

Attorney Docket: MBHB02-742-D (400/128)

REMARKS/ARGUMENTS

Specification

The title has been amended merely to correct a spelling mistake in the word

"endothelial", which was erroneously misspelled in the original title. No new subject

matter has been added by way of this amendment.

Claims

Claim 1 has been amended to recite that the siNA molecule comprises one or

more chemical modifications. The amendment to claim 1 is made without prejudice and

without intent to abandon any previously claimed subject matter. Support for the

amendment can be found throughout the specification.

Claims 8 and 18 have been amended merely to correct grammatical errors.

Claims 31-36 have been cancelled. Cancellation of these claims is without

prejudice and without intent to abandon any previously claimed subject matter.

Applicant reserves the right to pursue the cancelled claims at a future date.

No new matter has been added by way of these amendments.
